

October 24th

Bloom Consulting full stack development

Last meeting - We discussed:

- We went over previous designs

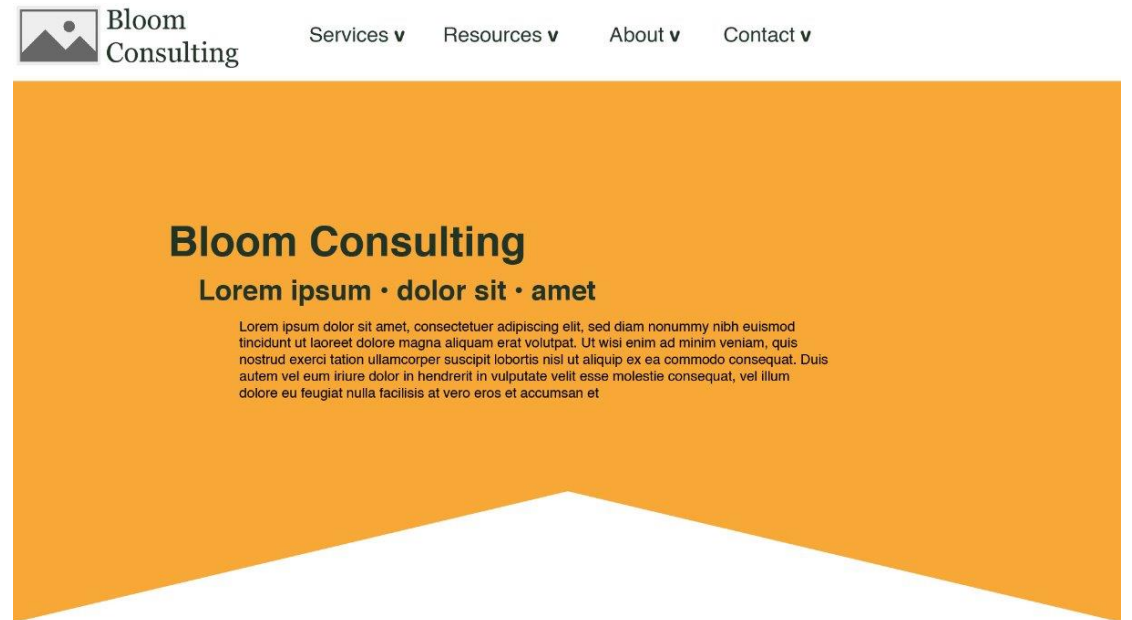

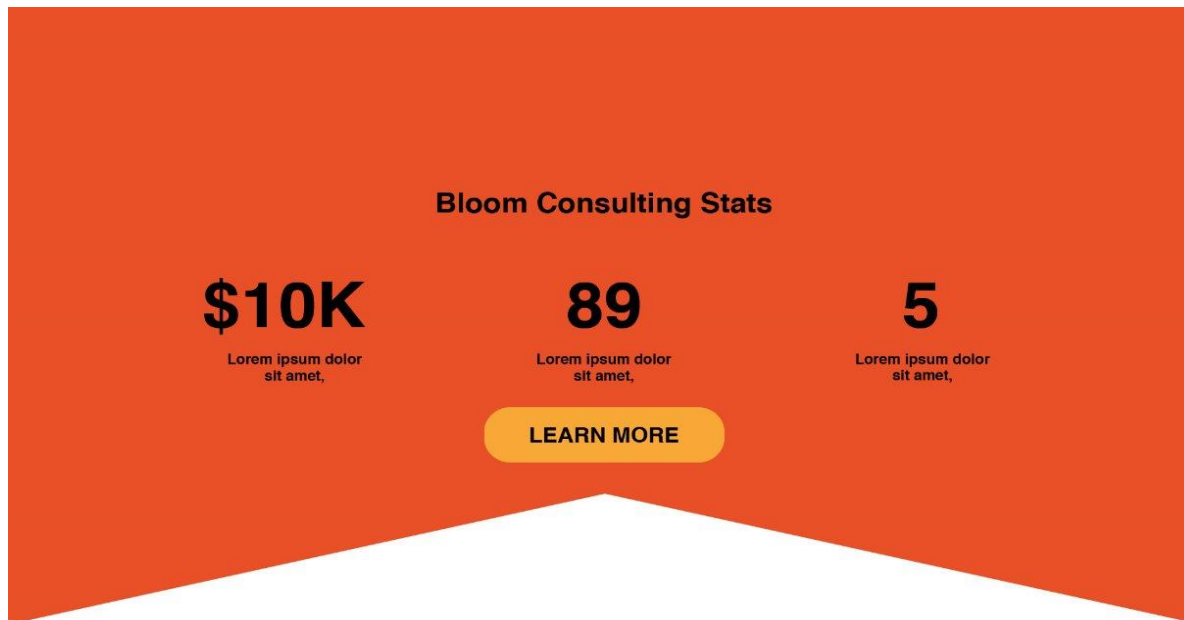

Last meeting - We discussed:

- Banner should be changed to a more modern look

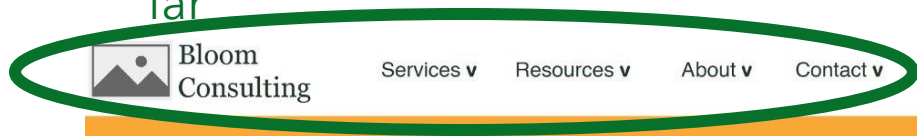

Last meeting - We discussed:

- These colors should not be used as primary colors
- Recommended to use green

Last meeting - We discussed:

Navigation bar looks good so far

Resource tab Up for discussion

Last meeting – We discussed:

- Other design wants...
 - Use beige, black, green for a modern clean look
 - Each service has a drop down and a page
 - Better / real images for the program representation
 - Use darker colors as a primary
 - Contact information
 - Team information under the about page

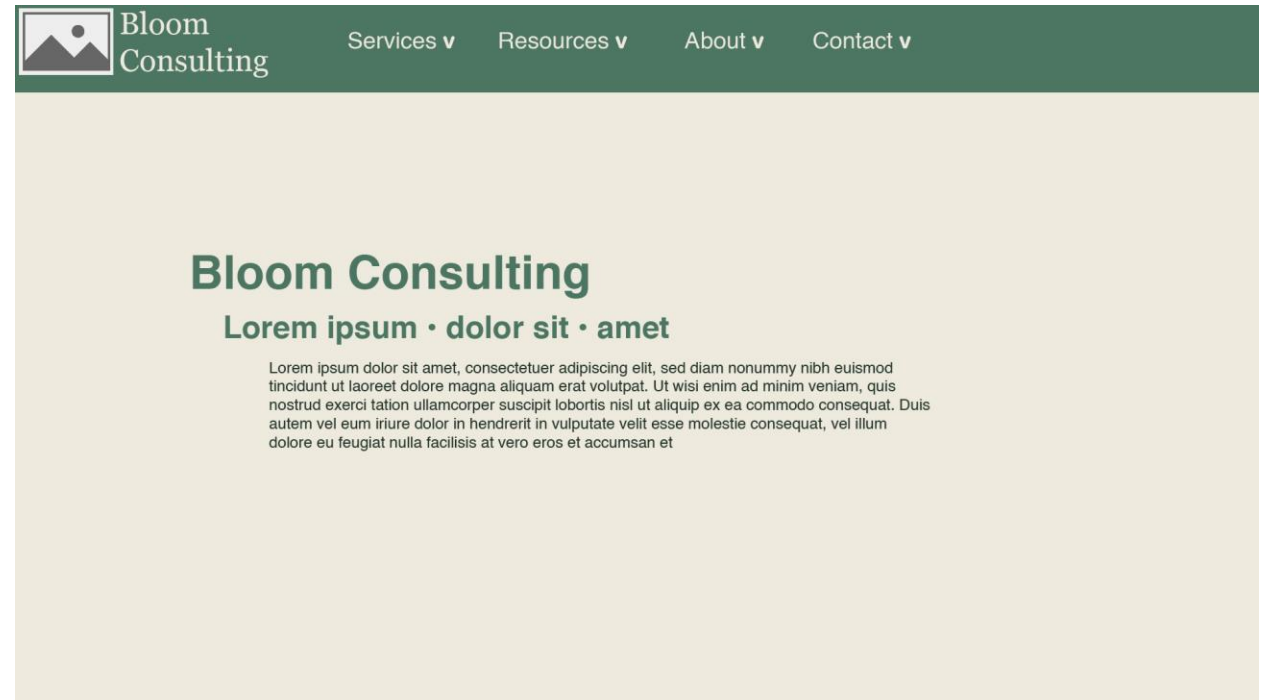

Updated designs

- Once we start working with Wix and getting the website set up we can change and make modifications of any unwanted designs or styles.
- The following slides showcase current design mockups based on recommendations

Updated designs

- Changed color palette
- Used recommended font
- More modern look and feel

Updated designs

- Changed to stock images
- Ecosystem development image still pending
 - Open to ideas/requests

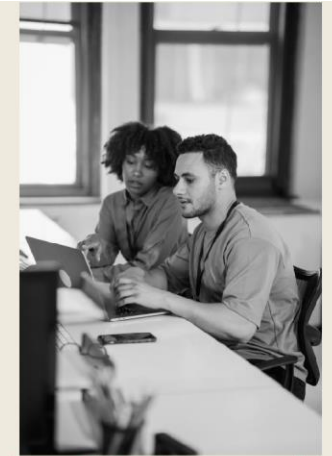

Ecosystem Development

Questions?

- What is ecosystem development?

Thank you

- Our GitHub repository has our documented progress so far:
GitHub Link: <https://github.com/aanthoonyy/ACME1-BC-fullStackApp>
- We also made a video for sprint 1, it is in our GitHub repo under **sprint_report_template.md**
